

Sports Capital Programme – Free Workshop

Munster Workshop:

Thursday 20th September, Charleville Park Hotel, Charleville, Co. Cork 7 -9pm

In light of the recent Sports Capital Programme announcement of €40M worth of grants being made available to provide sports clubs and communities to develop sports infrastructure across the country, Athletics Ireland will be hosting a series of information nights to be held across Leinster, Munster and Connacht.

These information nights will supply an opportunity for clubs across the regions to attend, understand the application process and have any questions answered around the Sports Capital Programme.

The last round of allocations of SCP grants (November 2017) saw almost all of its applicants receiving all or part there of their total application amount. Athletics Ireland AAI strongly advises clubs to avail of this workshop and apply for funding.

These are FREE to attend. However please reserve your spot HERE using the following link:
